A History Of Performance And Quality

Tremco Roofing has been meeting the roofing and building envelope needs of our customers since 1928. With approximately 700 highly trained sales and technical service professionals throughout the United States and Canada, we are committed to helping our customers improve facility performance and reduce long-term costs through superior products and workmanship.

Our patented facility asset management program, Tremco ManagedAssetsSM, guarantees a dry environment for a fixed period of time at a fixed cost. In other words, it enables AEPA members to “get out of the roofing business” and establish guaranteed budget predictability.

Purchasing Tremco Roofing’s products and services through the AEPA couldn’t be simpler. To find out more, call 1-800-892-1872, send an email to educationsolutions@tremcoinc.com or visit us at www.tremcoroofing.com/educational.asp
